

Title

Rhetoric II

Duration

2 Days

Objectives

Learning how to present better and more confident and to feel comfortable about your role.

Content

- Concentrate on the aim
- Rhetorical means (body, voice, eyes, art of listening, clothes make the man)
- Rhetorical practice (stage fright and what to do against it)
- Tips and tricks when you falter
- Dealing with troubles, mishaps, provocations etc.
- Lead with questions

Target Group

Executives that often take a speech or conduct a presentation or have to in future and thus will get more experienced in presenting.

Comments

Rhetoric I is strongly recommended.
