

Hyundai Dealership Management Standards Sales Management training – part 2 29 – 30 May

In the end of May Hyundai Motors Ukraine provided the 3rd and the 4th modules of the training program “Dealer Management” for Hyundai Dealership management.

The training was provided by Dmitriy Karpachov, Trainer-consultant of TGM Abel & Berger International Ukraine, a constant training partner of Hyundai Motors Ukraine in personnel training.

The modules were devoted to financial management and KPI Hyundai. The participants, representatives of Hyundai dealership, arrived from Donetsk, Dnepropetrovsk, Cherkassy, Chernovtsy, Kharkov and Kiev.

Along with a constant improvement of Hyundai models development and quality, the company makes special efforts so that the managers of dealership gain the knowledge and practical skills in order to completely satisfy the customers' needs and demands for this brand.
