

## **"TGM Abel and Berger International Ukraine" Successfully Supporting Automotive for 2 years**

TOB "TGM Abel & Berger International Ukraine" – a subsidiary company of "TGM Abel & Berger GmbH" in Germany has been successfully working in the Ukrainian and Russian automotive markets since the end of 2005. During the last 2 years the company has been providing trainings and consultancy for Automobile Manufacturers, Importers and Dealers.

Our current training and consulting activities embrace such fields as: product information for sales advisors, sales consultation for sales managers and advisors, management training for service managers, service advisors skills, direct reception system training and customer satisfaction index program management (CSI).

TOB "TGM Abel & Berger International Ukraine" has been successfully cooperating with the leading Ukrainian automobile companies such as UA Holding, Bogdan Corporation, Hyundai Motors Ukraine, KIA Motors Ukraine, Toyota-Ukraine, Mega-Motors, Formula Motor Ukraine, GM Avtovaz.

**TGM Team sincerely wishes Happy New Automobile Business Year to all existing and potential partners!**
