

## Hyundai Product Training\_Hyundai i30 for Hyundai Motors Ukraine 23 – 27 June 2008

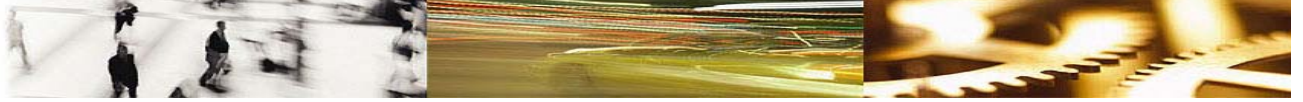

“Hyundai Motors Ukraine”, an official distributor of Hyundai in Ukraine, together with TGM Abel & Berger International Ukraine Ltd, a training partner of Hyundai, has recently provided Hyundai i30 Product Training for Sales Consultants. The training was delivered by Andrey Petrenko, Director and Master-Trainer of TGM Ukraine, Roman Kopach and Dmitriy Karpachov, trainers-consultants.

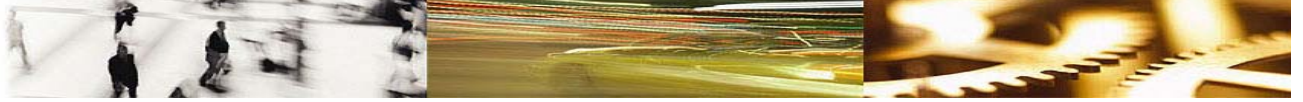

A 1-day training was provided for five groups of Sales Consultants, the representatives of Hyundai Dealership from all over the world. During the training the participants learnt the peculiar features of Hyundai i30 technical characteristics, static comparison with the competitors, and determined the model advantages which will be presented to Hyundai customers the days immediately following after the training.

“Hyundai Motors Ukraine” is planning to further improve its dealership personnel skills with the purpose to satisfy Hyundai customers to the full.

A constant training process of the company dealership personnel allows Hyundai to stand a leading position on the automobile market of Ukraine.
